EDUCATIONAL BACKGROUND

Educational qualifications

2015	Test in Danish Language (PD3 – Level B2) CLAVIS – Sprog & kompetence, Roskilde, Denmark
2001	PhD in Structural Engineering University of Florence, Italy
1996	Summa cum laude MSc in Civil Engineering (specialising in Structures) University of Pisa, Italy
1990	Secondary school diploma with full marks Liceo Classico Statale “A. Di Rudini”, Noto, Italy

Professional qualifications

2023	Italian National Scientific Qualification as Full Professor
2017	Italian National Scientific Qualification as Associate Professor
1997	Qualification as a Professional Engineer, University of Pisa, Italy

WORK EXPERIENCE

Current position

2017 – present Associate Professor of Structural Mechanics
Department of Civil and Industrial Engineering, University of Pisa, Italy

Past positions

2021 – 2023 Visiting Professor, Department of Mechanical Engineering, Lublin University of Technology, Poland
2009 – 2017 Assistant Professor of Structural Mechanics
Department of Civil and Industrial Engineering, University of Pisa, Italy
2006 – 2008 Fixed-term Researcher in Structural Mechanics
Department of Structural Engineering, University of Pisa, Italy
2002 – 2006 Structural Engineer
AICE Consulting Srl, Pisa, Italy
2001 – 2002 Civil Engineer
Cultural Heritage Superintendence Office, Florence, Italy
1998 National Youth Service
Cultural Heritage Superintendence Office, Pisa, Italy
1997 – 1998 Structural Engineer
AICE Consulting Srl, Pisa, Italy

Visiting periods abroad

2022 Visiting Professor, invited by Prof. Sylwester SAMBORSKI
Faculty of Mechanical Engineering, Lublin University of Technology, Poland
29 May – 5 June 2022
2019 Visiting Scientist, invited by Prof. Barbara SUROWSKA
Department of Materials Engineering, Lublin University of Technology, Poland
16 – 29 June 2019
2018 Visiting Scientist, invited by Prof. Sylwester SAMBORSKI
Department of Applied Mechanics, Lublin University of Technology, Poland
11 – 15 June 2018
2015 Visiting Scientist, invited by Dr. Bo MADSEN
DTU Wind Energy, Technical University of Denmark, Roskilde, Denmark
15 – 19 June 2015
2014 – 2015 Guest Scientist, invited by Prof. Bent F. SØRENSEN
DTU Wind Energy, Technical University of Denmark, Roskilde, Denmark
1 September 2014 – 28 February 2015

TEACHING ACTIVITIES

Teaching courses held at the University of Pisa, Italy

2020/2021 – present *Computational Mechanics of Materials* (48 hours), MSc in *Materials and Nanotechnology*
2016/2017 – present *Computational Mechanics* (60 hours), MSc in Civil Engineering
2016/2017 – present *Structural Mechanics* (co-teacher for 60 hours), BSc in Aerospace Engineering
2010/2011 – 2015/2016 *Structural Dynamics* (60 hours), MSc in Civil Engineering
2013/2014 and 2015/2016 *Structural Mechanics II* (60 hours), BSc in Civil Engineering
2012/2013 *Structural Mechanics I* (60 hours), BSc in Civil Engineering
2009/2010 *Analytical and Continuum Mechanics* (60 hours), MSc in Nuclear Engineering
2004/2005 *Laboratory of CAD Applications* (24 hours), MSc in Building Engineering – Architecture
2001 – 2012 *Structural Mechanics* (class exercises), Various BSc and MSc programmes

Teaching courses held at Lublin University of Technology, Poland

2021/2022 and 2022/2023 *Nonlinear Finite Element Analysis* (30 hours), Visiting Professor
2021/2022 and 2022/2023 *Computational Fracture Mechanics* (30 hours), Visiting Professor
2021/2022 *Finite Element Methods for Nonlinear Elasticity* (10 hours), International PhD Mechanics, Invited Speaker

Thesis supervision

2002 – present No. 6 PhD students, No. 48 MSc students, No. 39 BSc students

Research interests

Mechanics of Materials, Solids, and Structures, with focus on problems involving Fracture Mechanics, Composite and Advanced Materials, Stability and Dynamics of Structures, Computational Mechanics, and Structural Strengthening

Participation in funded research programmes

- 2023 – 2025 Member of the University of Pisa Research Group of the project “NUMerical modelling and opTimisation of SHELL Structures Against Fracture and Fatigue with Experimental Validations (NutShell)”, co-financed by the Italian Ministry of University and Research under PRIN 2022 programme (Coordinator: Dr. Enrico SALVATI, University of Udine, Italy)
- 2022 – 2025 Member of the Research Group at University of Pisa of National Centre 1 “HPC, Big Data, Quantum Computing” – Spoke 6 “Multiscale Modeling & Engineering Applications”, financed by the European Union under the Italian National Recovery and Resilience Plan (NRRP)
- 2022 – 2024 Member of the Research Group of the project “Advanced modelling of ultra-lightweight materials and structures”, financed by the University of Pisa under PRA 2022–2023 programme (Coordinator: Prof. Roberto ALESSI, University of Pisa, Italy)
- 2022 – 2023 Scientific Responsible of the University of Pisa Research Group of the project “DIACMEC – Damage Identification in Advanced Composite Materials with Elastic Couplings”, funded by the Ministry of Foreign Affairs under the Executive Protocol “Canaletto” for Scientific and Technological Cooperation between Italy and Poland for the years 2022–2023
- 2018 – 2020 Member of the Research Group of the project “Multi-scale modelling in structural engineering”, financed by the University of Pisa under PRA 2018–2019 programme (Coordinator: Prof. Roberto PARONI, University of Pisa, Italy)
- 2015 – 2018 Scientific Responsible of the University of Pisa Research Group of the project “SUREBridge – Sustainable Refurbishment of Existing Bridges”, co-financed by the European Commission under FP7 through the ERA-NET Plus Infravation 2014 Call (Coordinator: Prof. Reza HAGHANI, Chalmers University of Technology, Gothenburg, Sweden)
- 2015 – 2016 Member of the Research Group of the project “Development of an integrated methodology for the seismic risk assessment in urban centres”, financed by the University of Pisa under PRA 2015 programme (Coordinator: Prof. Massimo LOSA, University of Pisa, Italy)
- 2011 – 2013 Member of the Stakeholders Panel of the project “PANTURA – Flexible processes and improved technologies for urban infrastructure construction sites”, co-financed by the European Commission under FP7 (Coordinator: Prof. Robert KLIGER, Chalmers University of Technology, Gothenburg, Sweden)
- 2010 – 2012 Member of the University of Pisa Research Group of the project “A multiscale approach for modelling damage and degradation phenomena in light-weight civil constructions made of advanced composite materials”, co-financed by the Italian Ministry of University and Research under PRIN 2008 programme (Coordinator: Prof. Franco MACERI, University of Rome, Italy)
- 2006 – 2008 Member of the University of Pisa Research Group of the project “Structures made of microstructural materials. A challenge for modern civil engineering”, co-financed by the Italian Ministry of University and Research under PRIN 2005 programme (Coordinator: Prof. Franco MACERI, University of Rome, Italy)
- 1997 Research assistant of the University of Pisa Research Group of the project “MONUMENTS – Characterization of mechanical properties and damage of natural building stones in historical monuments”, co-financed by the European Commission under FP4 (Coordinator: Prof. George EXADAKTYLOS, Technical University of Crete, Greece)

Participation in international conferences as presenting author

- EUROMECH Colloquium 642 International Colloquium on Multiscale and Multiphysics Modelling for Advanced and Sustainable Materials* (Rome, Italy, 22–27 September 2024)
- SNP 2024 58th Meeting of the Society for Natural Philosophy* (Aarhus, Denmark, 10–12 June 2024)
- WECM '24 3rd Workshop on Experimental and Computational Mechanics* (Lublin, Poland, 27–28 May 2024)
- IDCW 2023 1st Interdisciplinary Doctoral Conference and Workshop* (Lublin, Poland, 7–10 November 2023): Invited Speaker
- CMES 2022 7th International Conference of Computational Methods in Engineering Science* (Zamość, Poland, 24–26 November 2022)
- WECM '22 1st Workshop on Experimental and Computational Mechanics* (Lublin, Poland, 1 June 2022): Invited Speaker
- VECF1 1st Virtual European Conference on Fracture* (29 June–1 July 2020)
- ESMC 2018 10th European Solid Mechanics Conference* (Bologna, Italy, 2–6 July 2018).
- GACM-GIMC 2018 1st Joint GACM-GIMC workshop on "Common Research Interests in Computational Mechanics"* (Udine, Italy, 28 February–1 March 2018)
- CAE 2017 33rd International CAE Conference and Exhibition* (Vicenza, Italy, 6–7 November 2017)
- ECF 21 21st European Conference on Fracture* (Catania, Italy, 20–24 June 2016)
- ICCM 20 20th International Conference on Composites Materials* (Copenhagen, Denmark, 19–24 July 2015)
- ECF 20 20th European Conference on Fracture* (Trondheim, Norway, 30 June–4 July 2014)
- CompTest 2013 6th International Conference on Composites Testing and Model Identification* (Aalborg, Denmark, 22–24 April 2013)
- ECF 18 18th European Conference on Fracture* (Dresden, Germany, 30 August–3 September 2010)
- ECF 17 17th European Conference on Fracture* (Brno, Czech Republic, 2–5 September 2008)
- ECF 16 16th European Conference of Fracture* (Alexandroupolis, Greece, 3–7 July 2006)
- ETDCM 8 8th Seminar on Experimental Techniques and Design in Composite Materials* (Cagliari, Italy, 2–7 October 2007)
- WCCM V 5th World Congress on Computational Mechanics* (Vienna, Austria, 7–12 July 2002)
- ETDCM 5 5th Seminar on Experimental Techniques and Design in Composite Materials* (Cagliari, Italy, 28–29 September 2000)
- ICTAM 2000 20th International Congress of Theoretical and Applied Mechanics* (Chicago, Illinois, 27 August–2 September 2000)
- IASS-IACM2000 4th International Colloquium on Computation of Shell and Spatial Structures* (Chania, Greece, 4–7 June 2000)
- ECCM '99 1st European Conference on Computational Mechanics* (Munich, Germany, 31 August–3 September 1999)

Participation in national (Italian) conferences as presenting author

- AIMETA 2024 XXVI Congresso Nazionale dell'Associazione Italiana di Meccanica Teorica e Applicata* (Napoli, 2–6 settembre 2024)
- GIMC-GMA-GBMA 2023 23rd Italian Conference on Computational Mechanics – 10th Conference of the Group of Mechanics of Materials – 2nd Conference of the Biomechanics Group* (Reggio di Calabria, Italy, 12–14 July 2023)
- AIMETA 2019 24th National Congress of the Italian Association of Theoretical and Applied Mechanics* (Rome, Italy, 15–19 September 2019)
- AIMETA 2017 23rd National Congress of the Italian Association of Theoretical and Applied Mechanics* (Salerno, Italy, 4–7 September 2017)
- GIMC-GMA 2016 21st Italian Conference on Computational Mechanics and 8th Meeting of the AIMETA Materials Group* (Lucca, Italy, 27–29 June 2016)
- AIMETA 2015 22nd National Congress of the Italian Association of Theoretical and Applied Mechanics* (Genoa, Italy, 14–17 September 2015)

<i>AIMETA 2013</i>	<i>21st National Congress of the Italian Association of Theoretical and Applied Mechanics</i> (Turin, Italy, 17–20 September 2013)
<i>GMA 2012</i>	<i>6th Meeting of the AIMETA Materials Group</i> (Lucca, Italy, 12–13 April 2012)
<i>AIMETA 2011</i>	<i>20th National Congress of the Italian Association of Theoretical and Applied Mechanics</i> (Bologna, Italy, 12–15 September 2011)
<i>IGF 2011</i>	<i>21st National Congress of the Italian Group of Fracture</i> (Cassino, Italy, 13–15 June 2011)
<i>AIMETA 2009</i>	<i>19th National Congress of the Italian Association of Theoretical and Applied Mechanics</i> (Ancona, Italy, 14–17 September 2009)
<i>GMA08</i>	<i>2nd Meeting of the AIMETA Materials Group</i> (Genoa, Italy, 29 February–1 March 2008)
<i>AIMETA 2007</i>	<i>18th National Congress of the Italian Association of Theoretical and Applied Mechanics</i> (Brescia, Italy, 11–14 September 2007)
<i>GMA07</i>	<i>1st Meeting of the AIMETA Materials Group</i> (Trento, Italy, 23–24 February 2007)
<i>AIPnD 2005</i>	<i>11th National Conference of the Italian Association for Non-Destructive Testing, Monitoring, and Diagnostics</i> (Milan, Italy, 13–15 October 2005)
<i>AIMETA 2005</i>	<i>17th National Congress of the Italian Association of Theoretical and Applied Mechanics</i> (Florence, Italy, 11–15 September 2005)
<i>AIMETA '03</i>	<i>16th National Congress of the Italian Association of Theoretical and Applied Mechanics</i> (Ferrara, Italy, 9–12 September 2003)
<i>AIMETA '01</i>	<i>15th National Congress of the Italian Association of Theoretical and Applied Mechanics</i> (Taormina, Italy, 26–29 September 2001)
<i>AIMETA '99</i>	<i>14th National Congress of the Italian Association of Theoretical and Applied Mechanics</i> (Como, Italy, 6–9 October 1999)
<i>AIMETA '97</i>	<i>13th National Congress of the Italian Association of Theoretical and Applied Mechanics</i> (Siena, Italy, 29 September–3 October 1997)

Organisation of scientific meetings

2024	Member of the Scientific Committee of <i>CMES 2024 – IX International Conference of Computational Methods in Engineering Science</i> (Sandomierz, Poland, 27–29 November 2024)
2024	Chairman of <i>WECM '24 – 3rd Workshop on Experimental and Computational Mechanics + PhDsF24 – PhD students Forum</i> (Lublin, Poland, 27–28 May 2024)
2024	Member of the Scientific Committee of <i>ICCS27 – 27th International Conference on Composite Structures</i> (Ravenna, Italy, 3–6 September 2024)
2023	Member of the Scientific Committee of <i>CMES 2023 – VIII International Conference of Computational Methods in Engineering Science</i> (Puławy, Poland, 23–25 November 2023)
2023	Co-chairman of <i>WECM '23 – 2nd Workshop on Experimental and Computational Mechanics + DIACMEC Canaletto Project Final Meeting</i> (Pisa, Italy, 20–22 September 2023)
2023	Co-organiser of the minisymposium “Detection, identification, and modeling of damage in advanced engineering materials” at <i>PCM-CMM - 5th Polish Congress of Mechanics - 25th International Conference on Computer Methods in Mechanics</i> (Gliwice, Poland, 4–7 September 2023)
2022	Member of the Scientific Committee of <i>CMES 2022 – VII International Conference of Computational Methods in Engineering Science</i> (Zamość, Poland, 24–26 November 2022)
2022	Member of the Local Organizing Committee of <i>SNP 2022 – 56th Meeting of the Society for Natural Philosophy</i> (Pisa, Italy, 21–23 September 2022)
2022	Co-chairman of <i>WECM '22 – 1st Workshop on Experimental and Computational Mechanics + DIACMEC Canaletto Project Kick-off Meeting</i> (Lublin, Poland, 1 June 2022)
2022	Member of the Scientific Committee of <i>MSN 2022 – 9th International Scientific Symposium</i> (Nałęczów, Poland, 1–3 June 2022)
2020	Member of the Volunteers Committee of <i>VECF1 – 1st Virtual European Conference on Fracture</i> (29 June–1 July 2020)
2017	Organiser of the public seminar on “The SUREBridge project for sustainable refurbishment of existing bridges” (Pisa, Italy, 22 September 2017)

- 2017 Co-organiser of the specialised session “Mechanics and reliability of piezoelectric materials” at *AIMETA 2017 – 23rd National Congress of the Italian Association of Theoretical and Applied Mechanics* (Salerno, Italy, 4–7 September 2017)
- 2016 Member of the Organising Committee of the *GIMC-GMA 2016 – 21st Italian Conference on Computational Mechanics and 8th Meeting of the AIMETA Materials Group* (Lucca, Italy, 27–29 June 2016)
- 2016 Session Chairman at the *ECF 21 – 21st European Conference on Fracture* (Catania, Italy, 20–24 June 2016)
- 2013 Co-organiser of the mini-symposium “Advanced Beam Models for Homogeneous and Non-homogeneous structures” at *AIMETA 2013 – 21st National Congress of the Italian Association of Theoretical and Applied Mechanics* (Turin, Italy, 17–20 September 2013)
- 2008 Co-organiser of the Stand of the Department of Structural Engineering, University of Pisa, Italy, at *CompoTec 2008 – 1st International Exhibition of Composites and related Technologies* (Marina di Carrara, Italy, 29–31 October 2008)
