# CST STUDIO Workshops
CST MWS

Date

27th May 2004

Time

09:30 – 17:00

Location

RTW Ride The Wave
Polo Tecnologico di Navacchio
Via Giuntini 25, Int. 9
Navacchio di Cascina (PI), 56023 - Italy

Contents

The morning is focused on:
- CST company profile
- Theory FIT on which CST MWS is based
- Applications examples using CST MWS and CST DS

The afternoon is focused on:
- Set up your own structure with the powerful modelling interface in CST MWS
- Import CAD models and parameterise them
- Set up a model for calculation using different solvers and sources
- Compute accurate results and speed up the simulation
- Perform optimisations and parameter sweeps
- Display the computed results and extract other postprocessing quantities

Price

This training is free of charge, lunch and coffee breaks will be provided

Deadline

21th May 2004 at the latest
